

Thomas J. Parr, M.D., F.A.C.S.

Orthopedic Surgery and Sports Medicine

Surgery Facilities and Scheduling Surgery

Our patients always have the right to select where they wish to have surgery or imaging studies done, and to that end, we will do all that we can to work with you.

Dr. Parr's surgery days are scheduled in advance at the Doctors Surgical Center, at Foundation Surgical Hospital, and at the Shriners Hospital for Children. Dr. Parr also has surgical privileges at several other hospital facilities in our area, and surgery at those facilities is arranged on a patient by patient basis. Our Surgery Scheduler maintains Dr. Parr's surgery schedule, and she will work with you to schedule your surgery on the day or at the facility you wish.

There currently is an exception to our policy for Aetna and CIGNA patients requiring surgery with an overnight stay in the hospital. Aetna and CIGNA have told Dr. Parr that because he is a provider for their companies, he may not provide any medical care for their patients at Foundation Surgical Hospital because they are still in negotiations with that facility. For our Aetna and CIGNA patients requiring inpatient orthopedic care, we can offer you the choice of doing your surgery at another hospital in the area. **However, if you wish to have your surgery done at Foundation Surgical Hospital, you may call your insurance company and make the request. In a few cases, both Aetna and CIGNA have granted exceptions requested by the patient.**

Dr. Parr is a minority (3.27%) limited liability partner of Foundation Surgical Hospital (713-314-4100), located at 5420 West Loop South (Bellaire, TX) and a minority (3.25%) limited liability partner of the Doctors Surgical Center (713-272-6300), located at 8111 Southwest Freeway (Houston, TX). This enables him to have greater input and control over the care of his patients; but he works at and with several other facilities in the Greater Houston Area. We do not require our patients to use any facility they do not want to use.

If you have any questions or problems regarding a bill from the Doctors Surgical Center, Foundation Surgical Hospital, or from the anesthesiologists, please contact our Business Staff and they will try to assist you.

Dr. Parr is a limited liability partner in FOUNDATION SURGICAL HOSPITAL and DOCTORS SURGICAL CENTER.
